

Armchair Adventures

Come along with us...

TRIVIA #3

1. On Route 66 in Moriarty the oldest and the newest restaurant are across the street from each other. What are their names?
2. Travelling along route 66 has historically been hard work. The word Travel is derived from the French word trepalium, which means what exactly?
3. George Ulrich started a trend in 1947 at his business on route 66 which we continue to do today. What is that he initiated?
4. Mysterious lights and orbs along route 66 in Oklahoma have given the road this menacing nickname.
5. In June of 1929, "Happy" Lou Phillips and his partner "Lucky" Jimmy Parker traveled the route from Washington D.C. to San Francisco California traveled on what?
6. Argosy Magazine and several other automobile magazines of the 1940s and 50s reported regular lists of the most flagrant abuses of what activity along Route 66?
7. What is the biggest Route 66 attraction?
8. In 1937, Route 66 was realigned, so where is the only place that Route 66 crosses itself?
9. On Route 66 in Edgewood and Albuquerque are two of the rarest kinds of these. One is being used as a police substation and one of them is being lovingly restored. What are they?
10. Some vacation promoters will do anything to bring in visitors. Les Dill, the promoter of Meramec Caverns, the supposed hideaway of Jesse James, paid farmers to paint giant billboards on the barns that faced the road. He also paid grade-school kids to do what?
